

Roofmeadow Services, Inc.

Green Roof Crew Member – Job Description

ROOFMEADOW SERVICES, est. 2014, provides construction and maintenance services for on-structure landscapes. Currently maintaining over 235,000 square feet of green rooftops over 15 projects, Roofmeadow Services' long-term stewardship services can enhance a good design over time, resulting in enduring, high-quality projects and satisfied clients. Roofmeadow Services' diligent staff work closely with partners to create green infrastructure that doubles as elegant, inventive space.

We are currently seeking individuals who have a strong work ethic, with an interest in green construction and development, an enjoyment of working outdoors, and who are invested in personal development. We are willing to bring in candidates who are needing to do skills development on the job.
